10. Old Business:

Flame of Hope: Since the Virginia Beach Jaycees have expressed the need for help in funding the fuel, Jim Joyner recommended we consider the following suggestions: (1) asking individual units or organizations to volunteer funding for a given number of months during the year, or (2) soliciting the donation of the natural gas from Dominion Power. A letter to that effect is being sent to Virginia Power from HRANA to explore that possibility.

NAS Oceana Historical Air Park: Lurch recommended we support upgrading the information panels for the individual vintage aircraft by removing the inoperable speaker boxes and replacing them with new information plaques. Kent volunteered at the October meeting to develop a proposal for upgrading the park.
